

ICD-10-PCS Recharge

Master ICD-10-PCS Coding

The ICD-10-PCS Recharge program is specifically designed for experienced coders to improve their knowledge and expertise and keep skills sharp. The courses highlight key terms you can use to help determine the correct root operations. A Career Step ICD-10-PCS Recharge will help you maintain the knowledge you need to be at the top of your field.

Recharge and Refresh Your Skills

Want to learn all the intricacies of ICD-10, be better at your job, and become a more valuable employee? Excel in your organization and advance your career with a solid understanding of ICD-10-PCS! You can enroll in our online ICD-10-PCS Recharge program today and boost your mastery.

Career Step's Recharge Program provides courses to refresh your skills in ICD-10-PCS coding in as little as 60 minutes. Whether you've been ICD-10 coding for 1 year or 10, recharging your skills with a wide variety of ICD-10-PCS subjects will improve your efficiency and keep you current in your medical coding career.

Our modules meet all 2017 coding updates and are preapproved to provide you with continuing education credits through AHIMA and AAPC. Fine-tune your ICD-10-PCS skills today!

Recharge with Confidence

Career Step's refresher courses are unique because we provide...

- Companion case studies and final evaluations in each module
- Targeted and customized training
- Tips for learning retention and skill enhancement

You can pick and choose one or more of our 11 available online modules, or you can recharge completely with a purchase of the entire ICD-10 package. Career Step's ICD-10-PCS Recharge modules align with all 2017 coding updates, and you can also earn CEUs preapproved through AHIMA and AAPC.

Recharge at Home

Career Step's online ICD-10-PCS Recharge modules give you the flexibility and control you need to update your training easily.

- The online format allows you to study at a pace that fits into your busy life
- Each interactive module is only 1 hour long

- You'll receive module access for 4 months
- Study when and where it's most convenient for you, at home or on-the-go
