

CPT® Recharge

Grow more confident with CPT Coding

Learn to link the best codes faster and more accurately to the procedures and services described in medical records. Tailor your current experience by training in topics that will help you the most. A Career Step CPT® Recharge will help you gain the new knowledge you need to be at the top of your field.

Recharge and Refresh Your Skills

Do you want to excel in your organization and advance in your career? Enroll in our online CPT® Recharge program to refresh your expertise.

Career Step's Recharge Program provides courses to fine-tune your skills in CPT coding in as little as 90 minutes. Whether you've been CPT coding for 1 year or 10, staying up to date with industry standards will help you maintain your edge. Recharge your skills with a wide variety of CPT subjects to improve your efficiency and keep current in your medical coding career.

Our modules meet all 2017 coding updates and are preapproved to provide you with continuing education credits through AHIMA and AAPC.

Recharge with Confidence

Career Step's refresher training is unique because we provide...

- Companion case studies and final evaluations in each module
- Frequent exercises matching case scenarios and terms
- A coding specialist to provide additional tips

You can pick and choose one or more of our 13 available online modules, or you can recharge completely with a purchase of the entire package. Career Step's CPT® Recharge modules align with all 2017 coding updates, and you can also earn CEUs preapproved through AHIMA and AAPC.

Recharge at Home

Career Step's online CPT® Recharge modules give you the flexibility and control you need to update your training easily.

- The online format allows you to study at a pace that fits into your busy life
- Each interactive module is only 1.5 hours long
- You'll receive module access for 4 months
- Study when and where it's most convenient for you, at home or on-the-go
