

MICROSOFT OFFICE 2016

WHY TRAIN WITH CAREER STEP?

Microsoft Office 2016 is used in business, academic, and home settings worldwide, and being able to use the software is an important life skill. With the Career Step Microsoft Office 2016 training bundle, you'll have:

- In-depth training on five core Microsoft Office applications
- Over 130 hours of comprehensive curriculum
- A full year of 24/7 online access to the curriculum
- Ten textbooks and five quick reference cards as additional resources
- Live student support from certified professionals
- Preparation for the Microsoft Office Specialist (MOS) Master credential

COMPREHENSIVE CURRICULUM

The Microsoft Office 2016 training bundle includes training in five core Microsoft Office applications. You'll have over 130 hours of training covering beginning, intermediate, and advanced topics. Upon completion of the course, you will be prepared to earn the MOS Master credential, with skills in:

- Microsoft Access 2016
- Microsoft Excel 2016
- Microsoft Outlook 2016
- Microsoft PowerPoint 2016
- Microsoft Word 2016

MOS CERTIFICATION PREPARATION

The Microsoft Office Specialist (MOS) Master credential proves your Microsoft skills to employers, making you more marketable by enhancing your resume. The Career Step Microsoft Office 2016 training bundle was specifically developed to prepare you to earn this credential and includes comprehensive curriculum and interactive exercise files that allow you to practice the skills you'll need.

ONLINE TRAINING WITH CLASSROOM RESOURCES

Instead of blocking out large chunks of time or even days to attend Microsoft training, you can gain the skills you need around your schedule and at a pace that fits your life. With the Career Step Microsoft Office 2016 training bundle, you secure:

- **Long-term curriculum access**
Instead of having just a few hours in a classroom setting to master the material, you'll have a full year of 24/7, online access to learn at your own pace.
- **Hands-on practice**
With an incredible interactive, clickable format, we've made our Microsoft Office 2016 training a hands-on experience designed to help you learn by doing.
- **Reference materials**
You'll also receive a quick reference card for each Microsoft application to help you study away from the computer and give you a reference after you've completed the program.
- **Live student support**
Online training shouldn't mean you're on your own. With Career Step, you'll be able to get your questions answered by a certified professional by phone, email, and chat.
