CompTIA Certification Pro:
A+, Network+, Security+

PROGRAM DETAILS

Improve Your Life

When it comes to career training, you'll find a lot of posers out there. Con artists that'll try to impress you with fancy hyperbole. But through all the noise, the distinct sound of success can be heard. Your success. All it takes is a little push. A nudge in the right direction—and your whole life could change. New doors opened. New worlds discovered. New opportunities explored. With CareerStep, it all could happen in as little as 4 months.

Prepare for a Better Job

Technology is complicated. It moves fast. It's always evolving. And it's essential to the success of any business — big or small. That means there's plenty of opportunity for professionals with a knack for IT security, OS installation, and firewall maintenance.

This program includes unparalleled training, career support, and coaching. It's a faster, cheaper alternative to traditional schooling designed to help you build on the foundation you've already established and advance in your HIT career.

Learn Your Way (From Home)

With online training, you can absorb more knowledge and learn more skills—fast.

- Study on a schedule that fits your life
- Progress at a pace that matches your learning style
- Adjust the time and effort you devote to your coursework each day

Receive Coaching and Guidance

When you train with CareerStep, we back you every step of the way—from sign-up through course completion.

- Learner support
- Technical support
- Career support

Get Certified

We'll prepare you to take nationally recognized exams so you can explore greater opportunities in your area.
