

CONNECTING YOU WITH

Trained Healthcare Professionals

Hiring the right people is an exhausting task. One that costs you, your team, and your facility time, energy, and money, with no guarantee you'll ever see a return on your investment. We can help save you the hassle.

3 STEPS TO BETTER CANDIDATES FOR YOUR BUSINESS

We'll help find exceptionally motivated healthcare professionals to fill your open positions. Here's how:

- ✓ Save Time
- ✓ Cut Hiring Costs
- ✓ Improve Retention
- ✓ Increase Efficiency

STEP 1

Tell us where you're hiring and the various positions you're hoping to fill over the next 3–6 months.

- City, state, and surrounding area(s)
- Job titles and necessary skills
- Expected time frame

STEP 2

We identify and contact local certified candidates that meet your hiring standards.

- Previous Learners already trained in the specific field you're hiring for
- Current Learners in need of an externship to earn hours for their certification

STEP 3

You pay a flat fee for every CareerStep candidate hired.

- We will guarantee the placement of that employee for 60 days. If the candidate leaves or fails to meet expectations, we'll refund your money or find a new candidate.

Want to Partner With CareerStep?

Our Strategic Partner Advisors are ready to talk you through our process, explain how we find such fantastic candidates, and discuss other ways we can support your business with our trusted training methods.
