

CompTIA Project+

PROGRAM DETAILS

Improve Your Life

When it comes to career training, you'll find a lot of posers out there. Con artists that'll try to impress you with fancy hyperbole. But through all the noise, the distinct sound of

success can be heard. Your success. All it takes is a little push. A nudge in the right direction—and your whole life could change. New doors opened. New worlds discovered. New opportunities explored. With CareerStep, it all could happen in as little as 2 weeks.

Prepare for a Better Job

In any given organization, you've got a lot of moving pieces—but this is particularly true in technology. It's a complex industry, one that's always growing, shifting, and evolving. And with so much in flux, a lot can slip through the tracks. That's what makes tech gurus with excellent project management skills so valuable.

Learn Your Way (From Home)

With online training, you can absorb more knowledge and learn more skills—fast.

- Study on a schedule that fits your life
- Progress at a pace that matches your learning style
- Adjust the time and effort you devote to your coursework each day

Receive Coaching and Guidance

When you train with CareerStep, we back you every step of the way—from enrollment through course completion.

- Learner support
- Technical support
- Career support (interview coaching and resume reviews)

Get Certified

This course prepares learners to take the **CompTIA Project+ Certification** exam. The best part? We'll provide 1 free voucher for every Learner who completes the course.
