MACRA–MIPS PI Management

COURSE DETAILS

Expand Your Knowledge

When it comes to career training, you'll find a lot of posers out there. Con artists that'll try to impress you with big promises and fancy hyperbole. We won't waste your time. Because our training speaks for itself. We've already helped hundreds of thousands of Learners take control of their career trajectory, and we don't plan on slowing down anytime soon. That's why this course was built to help eligible healthcare professionals discover how the Medicare Access and CHIP Reauthorization Act (MACRA), the Merit-Based Incentive Payment System (MIPS), and Promoting Interoperability (PI) can improve quality of care and boost their paycheck.

Prepare for Career Growth

CareerStep's MACRA–MIPS PI Management course is designed for eligible healthcare professionals. It focuses on the Promoting Interoperability portion of MIPS — which replaces the Meaningful Use program and makes up a significant share (25%) of a clinician's MIPS score.

Learn Your Way (From Home)

With online training, teams can absorb more knowledge and learn more skills—fast.

- Learners study on a schedule that fits their life
- Learners progress at a pace that matches their individual learning style
