

# Medical Fraud, Waste, and Abuse

## COURSE DETAILS

### Expand Your Knowledge

When it comes to career training, you'll find a lot of posers out there. Con artists that'll try to impress you with big promises

and fancy hyperbole. We won't waste your time. Because our training speaks for itself. We've already helped hundreds of thousands of Learners take control of their career trajectory, and we don't plan on slowing down anytime soon. That's why this course teaches established healthcare professionals the value of ethics and outlines the potential consequences associated with compliance violations as determined by the U.S. Centers for Medicare and Medicaid Services (CMS): So they don't fall behind.

### Prepare for Career Growth

The CMS requires training for all professionals who provide services to Medicare or Medicaid participants. CareerStep's Medical Fraud, Waste, and Abuse course highlights the steep cost of FWA, teaches the value of ethics, and provides proof of training for compliance purposes.

### Learn Your Way (From Home)

With online training, teams can absorb more knowledge and learn more skills—fast.

- Learners study on a schedule that fits their life
- Learners progress at a pace that matches their individual learning style
- Learners adjust the time and effort they devote to their coursework each day

### Receive Coaching and Guidance
